HEDGE STRATEGY
As of March 31, 2010

www.saddlepeakam.com

INVESTMENT OBJECTIVE

Saddle Peak Asset Management, LLC seeks absolute returns through a focused portfolio of investments in which we place time on our side through patience and quality research. The investment process is value-oriented and biased toward long positions. The objective is to acquire positions in undervalued companies where the value of the company's assets and/or earning power are not accurately reflected by the company's current market price.

PORTFOLIO MANAGER

Douglas W. Grey

HEDGE PERFORMANCE HISTORY

	Percent Return (Gross of fees)	Percent Return (Net of fees)	S&P 500 (Dividend)
2006	17.35	12.05	15.81
2007	(1.33)	(3.29)	5.49
